Summer Convention Internship

Southwest Meat Association is currently seeking an intern during summer 2023 for the 67th Annual Convention & Suppliers' Showcase. The internship will primarily take place at the SMA office in Bryan, TX, except for traveling to the convention in San Antonio, TX, July 19th-22nd.

SMA Overview:

The Southwest Meat Association was founded in 1957 by a group of Texas meat packers who came together to form an organization that would unite packers/processors with the goal of promoting goodwill, friendship, education, legislation, and better labor relations within the meat industry. The association was formally incorporated as the Texas Independent Meat Packers Association and has evolved through several names into the association it is today. SMA provides information and assistance to packer and processor members across the country, with a scope far exceeding that with which SMA was founded.
