

Our Services

Advocacy

SMA is a vocal advocate for the meat and poultry industry with bi-annual trips to Washington D.C.

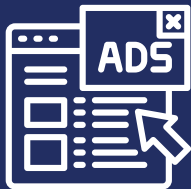

Networking Opportunities

SMA allows various opportunities to network with industry professionals, customers, and suppliers.

Sponsorships

Many sponsorship levels are available during SMA's Annual Convention and Mid-Year Conference.

Advertising

SMA provides various opportunities for members to advertise products and services.

ASSOCIATE MEMBERS

Any supplier or service provider serving the meat and poultry industry.

About SMA:

SMA is a leading meat and poultry trade organization representing packers and processors all across the United States.

Our Services

Educational Programs

SMA provides training activities allowing members to stay engaged in current industry developments.

Information Services

SMA provides a timely and effective distribution of news impacting packers and processors.

Annual Convention & MEAT Forum

SMA hosts two annual meetings for members to attend, network, and learn from industry professionals.

Scholarship Program

SMA awards scholarships each year benefitting the new generation of industry leaders.

SMA's Mission:

SMA's mission is supporting U.S. processors and their suppliers through networking, advocacy, education, and regulatory expertise.

"Southwest Meat Association provides a level of comfort when dealing with Federal Agencies. Their knowledge base is extensive and the caring and commitment for each member is exceptional."

- Ken Cable, Sysco Specialty Meat Group

"I enjoy being a part of SMA because I can network with my customers, meet new potential customers, and get to know other suppliers who can help my business. It's interesting to attend meetings with processors and learn what is important to them, I also make my business better through education on technical and leadership topics."

-Kathy Kennedy, SPI Group

"Everyone is southwest of somewhere!"
