ASSOCIATE MEMBERSHIP

Any supplier or service provider to the meat and poultry industry.

In making an application for membership to SMA, we understand that annual dues will be **\$850.00**. Our check is enclosed, representing full payment for the first year. Dues are calculated on the calendar year beginning January 1 and ending December 31, so subsequent dues will be prorated accordingly.

Section 1070(a) of Revenue Act requires a disclosure provision for all fundraising solicitations made after January 31, 1988, by tax-exempt organizations, other than Section 501(c)(3) groups.

"Contributions or gifts to the SMA are not deductible as charitable contributions for federal-income tax purposes. However, dues payments are deductible by members as an ordinary and necessary business expense"
