SMA FOUNDATION SCHOLARSHIP AWARDS

Overview

The SMA Foundation sponsors several scholarships at colleges or universities within the membership area of the Southwest Meat Association. Numbers and amounts of scholarships vary and are determined annually by the Foundation's Board of Trustees. Some funds are granted directly to universities to be awarded through their internal processes. Others, including the Bob Ondrusek Memorial Scholarship, are awarded directly to recipients by the Foundation. Applicants for these scholarship submit applications directly to the Foundation's Board of Trustees, who serve as the selection committee.

One Bob Ondrusek Scholarship award of at least \$2,500 will be presented annually during Southwest Meat Association's Convention. Additional scholarship awards of varying amounts are awarded at the discretion of the Board of Trustees depending on fund availability. Each recipient that attends the Convention will receive up to \$300 to offset travel costs associated with attending the Convention. Scholarship funds will be transferred through the university's Financial Aid Office of the recipient's institution prior to the beginning of the fall semester.
